Dear Parents/Carers,

The school council are in the process of organising their first fundraising event. After discussions with all the classes, it has been agreed that a book/toy sale will take place during the **week beginning Monday 1st April.**

We are asking the children to donate any good quality unwanted books and toys during the week beginning Monday 25th March. Please no jigsaw puzzles or games- unless they are unopened! These will then be sold for **20p** each in their classrooms throughout the week.

The school council members will be responsible for organising the stalls in their own classrooms and the older children will be on hand to support the younger children.

The money raised from this event will be spent on a school based project. Three projects will be nominated by the school council and then voted on by the whole school.

Thank you for supporting the new school council's first fundraising event.

Yours sincerely,

Miss McCormack and the Lawnside School Council
