

BCUS - Biggleswade Community Union of Schools:

Vision Statement:

BCUS will ensure a smooth path for each individual child through their learning from 3 to 19 years. This will be achieved through a shared understanding of, and commitment to, the provision of good quality education for all.

We will do this by:

- Focusing on children, not phases.
- Improving transition.
- Enhancing parental knowledge and understanding.
- Increasing partnership with parents.
- Developing extended services and outreach.
- Developing a supportive community.
- Promoting trust and joint responsibility.
- Enhancing community cohesion.
- Providing common opportunities for all.
- Ensuring best quality outcomes, including raising standards.
- Improving the life chances for children and families.
- Promoting mutual support and altruism.
- Promoting trust, relationships and common goals.
- Providing a joint voice and removing divisions.
- Ensuring a shared understanding of best practice in teaching and learning, including the teaching of how to learn, through shared expertise, staff development, shared resources and practical support.
